SUPPLEMENTAL RESPONSE AND STATEMENT OF SUBSTANCE OF INTERVIEW

Applicants thank Examiner Dennison for participating in a telephone interview with Applicants' representative, Babak Akhlaghi, on January 17, 2007. During the interview, the Examiner indicated that he found Applicants' previously submitted arguments convincing and that he would withdraw the rejections of the currently pending claims and issue a notice of allowance upon Applicants submitting a terminal disclaimer to overcome the previously asserted double patenting rejections. Accordingly, Applicants submit with this supplemental response a terminal disclaimer to overcome the obviousness type double patenting rejections over the claims of U.S. application serial no. 09/810,421. Therefore, Applicants respectfully request a notice of allowance to be issued at this time.

Applicants recognize that today, January 17, 2007, is the final day allowed by statute for responding to the Final Office Action mailed on July 17, 2006. Applicants have decided not to file a notice of appeal or take any further actions at this time in reliance on the Examiner's statement that a notice of allowance will be issued in this application after submission of the attached terminal disclaimer. Applicants thank Examiner Dennison for his kind attention regarding this matter.
